Dear Dr. Lederberg:

Enclosed is the final report of the Ad Hoc Committee on Evaluation of Federal Support of Science. It incorporates most of the changes suggested by you and your colleagues.

May I ask that you glance at it once more and, if you have any further comments or note any errors in fact, call Mrs. Jean Fitzpatrick at the Academy by ~~Monday~~ <sup>Wednesday</sup>, November 14<sup>th</sup>. To save time, we shall assume your approval if we have not heard from you by then. We expect to have the report printed and sent to President Johnson, President-Elect Nixon and the Congress by the first week in December.

Thank you for your cooperation.

Very truly yours,

*M. Tsutsui*  
President
